MARCO POLO TRAVELS, Ltd, Kathmandu, NEPAL, was selected as our partner in Nepal to provide ground services for several Incentives for about 60-80 persons from Belgium in the years 2006 and 2007.

The participants were from the company **Nationale Suisse Assurances** and **Electrolux Household Products**, based in Belgium and consisted of Flemish and French speaking clients.

All ground services for the group, like 5* accommodation, transport, many creative events, gala food and beverage services, conference services and a range of other relevant services were booked through **MARCO POLO TRAVELS**.

I'm very pleased to state here that all aspects our requirement was fulfilled well beyond our expectations and my clients and I were thoroughly satisfied. The meticulous planning, attention to detail, execution of services, monitoring of the event, and documentation were all perfect.

I have no hesitation in recommending **MARCO POLO TRAVELS, Ltd, NEPAL**.
