TO WHOM IT MAY CONCERN

This is to confirm that we have been closely associated with Marco Polo Travels (P) Ltd., Kathmandu, Nepal, since 1996. We have been working with them as our sole ground handling partner for our passengers & clients traveling to Nepal.

JTB Travels is considered one of the major wholesalers in India for promoting tourism to Nepal and this has been possible due to the seamless, efficient and excellent services rendered by Marco Polo to us over the years.

We will recommend them without any reservations.
