TO WHOM IT MAY CONCERN:

During the period from 1998 up to 2005 Oad Reizen has published a separate brochure with trips to Nepal. In this brochure accommodations of several hotels in Nepal were mentioned as well as roundtrips in Nepal and combination roundtrips in Nepal and India. The flights were executed by the Dutch charter companies Transavia and Martinair.

At that time we were represented by Marco Polo Travels and they were taking care of all our clients for reservations, roundtrips, excursions, contracting etc.
All these years Oad Reizen was very pleased with Marco Polo Travels. All our clients who visited the beautiful country were handled by Marco Polo Travels in a very professional way.

All the staff of Marco Polo Travels has been working in a very nice, smooth way which gave us thousands of satisfied clients during these years. Unfortunately the charter companies were not any longer willing/able to fly to Katmandu. Because of this we were obliged to stop the Nepal program.

One thing is for sure: As soon as Oad Reizen will start a new Nepal program, Marco Polo Travels will be the company who will take care of our clients again.

Best regards,
Oad Reizen B.V.
